

TRAINING CENTER COVID-19 PRECAUTIONS

Here are the additional steps we're taking so that you safely get the most value from this program:

- The public seminar class size will be reduced to a maximum of six participants. This will provide enough space to meet social distancing guidelines.
- Each participant will have their own assigned table and chair. The tables will be placed at least six feet apart from one another.
- Participants are encouraged to bring their own masks. If a participant doesn't have a mask, one will be provided.
- Role-playing and group exercises are voluntary, but will require a minimum distance of six feet from each participant.
- There will be numerous hand sanitizing stations throughout the building. Participants are encouraged to bring their own hand sanitizer. Disinfectant wipes will also be available to participants.
- Box lunches will be provided. Break-time snacks will be prepackaged. The breakroom and restroom areas will be limited to two people.
- Thorough cleaning and sanitizing throughout the facility prior to each day's training. Thorough cleaning and sanitizing in common areas after breaks.
